- Form size up to 16" deep
- Document alignment table

Benefits:

- Wide range of applications
- Secure data
- Streamlines operations
- Increases productivity
- Cost savings
- Saves time

PARAGON

Forms are printed to your specification with a range of fold options to meet with the bespoke needs of each and every customer.

“ Pressure Sealing eliminates the need for envelopes. The process folds and seals forms to produce secure, confidential documents that are ready to post. Pressure sealing dramatically improves efficiency and reduces costs, while taking the hassle out of mailings. ”
